

# HALLELUJAH TO THE LAMB

Words & Music by Gavin Brown

---

## Verse 1

As far as the east is from west, our sins are cast away  
Once the unpayable debt, now an endless supply  
As in Adam we die, also in Christ we live  
He lived a life that we couldn't live  
And suffered a death that was ours

## Chorus

Hallelujah to the Lamb that was slain  
We are saved by no other name  
Hallelujah to the Lamb that was slain for us

## Verse 2

With great assurance we come unto the throne of grace  
The justice of God has been satisfied  
Christ has stood in our place  
Tempted just as we are, only He did not sin  
Lamb without stain by sinners slain  
By His loss we have won
